**NOTICE OF PROPOSED RULE MAKING**

**Adopted: January 3, 2001**

**Released: January 12, 2001**

**Comment Date: March 5, 2001**

**Reply Comment Date: March 20, 2001**

By the Chief, Allocations Branch:

1. The Commission considers herein a petition for rule making filed on behalf of Four Rivers Broadcasting, Inc. ("petitioner"), proposing the allotment of Channel 254A to Willow Creek, California, as that community's first local aural transmission service. Petitioner states that, if the channel is allotted to Willow Creek, petitioner will file an application for a construction permit for the new allotment, and if its application is granted, will promptly construct the new facility.

2. Petitioner states that Willow Creek, California is a Census Designated Place and had a 1990 U.S. Census population of 1,576. Petitioner observes that Willow Creek has its own chamber of commerce, volunteer fire department, and post office, as well as 50 business organizations, six churches, a museum and several health/medical facilities (a dental clinic, family medical center, one outpatient clinic, a family health center and a rehabilitation and sports center). Several businesses have "Willow Creek" as part of their name, such as "Willow Creek Pharmacy."

3. A staff analysis has determined that the proposed Channel 254A allotment at Willow Creek, California, cannot be site restricted to clear both the vacant allotment for Channel 254C1 at Keno, Oregon and Station KAJK-FM, Channel 256C1 at Ferndale, California, and still allow the Willow Creek, Channel 254A allotment to provide 70 dBu coverage to Willow Creek. Nevertheless, Channel 295A can be allotted to Willow Creek, California, consistent with Sections 73.207(b)(1) and 73.315(a) of the Commission's Rules at the center city coordinates for Willow Creek, namely, 40-56-24 NL and 123-37-48 WL.

4. Since allotting Channel 295A to Willow Creek, California, would provide a first local broadcast service to Willow Creek, the Commission believes that it would serve the public interest to solicit comments on the possible allotment of Channel 295A to Willow Creek. Accordingly, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the

Commission's Rules, with respect to Willow Creek, as follows:

<u>Community</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Willow Creek	-----	295A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before March 5, 2001, and reply comments on or before March 20, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Federal Communications Commission, Office of the Secretary, 445 Twelfth Street, SW; Room TW-A325, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Alison J. Shapiro  
Fletcher, Heald & Hildreth, P.L.C.  
1300 North 17<sup>th</sup> Street, 11<sup>th</sup> Floor  
Arlington, Virginia 22209

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact R. Barthen Gorman, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment, which has not been served on the petitioner, constitutes an ex parte presentation and shall not be considered in the proceeding. Any

reply comment that has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
